

Fall Family Fun Deals!

Presented by CLIPCO

November 14 – November 20

Dear CLIPCO Families,

We are raising funds for our programs and events like the Chinese Language Contest (CLC). This is a great event that needs parent support. These local and regional businesses are helping us fundraise. Please support our contest, enjoy these deals, and share them with your friends and family. These are great activities to do over Thanksgiving, breaks, weekends, with the generous support of these businesses.

CLIPCO makes at least 20% on every deal purchased!
Please share with your friends and family via social media, Facebook, Twitter, etc.
