Know Your CLIP Miller Teachers

Ms. Ling-Ling Chern 陳玲玲

- I love beaches more than mountains.
- Recently I said "hello" to my 8th-grade students using the Morse Code.
- If a Genie granted me a wish, I would wish for the ability to transport myself through time and space, for a total of three times.
- Photo note: Ms. Chern and Mr. Terrence Roberts, one of the Little Rock Nine at the Museum of Tolerance in L.A.

Mr. Richard Kuan

- Enjoys snowsports as a skier and a snowboarder, with a record of skiing 28 days in a season.
- Is not much into cooking, but can bake a yummy cheesecake.
- Has been cutting his own hair since the pandemic, and he likes this new found talent!

Ms. Sheng-Yin Lin

- I enjoy outdoor activities. I can hike all day in nature but will be tired walking in the mall for just a couple of hours.
- I don't usually watch dramas, but once I started, I would jump to the last episode to learn about the ending before binge-watching them.
- I passed the board exam and became a licensed acupuncturist last year, and currently practicing at a free clinic in East Palo Alto on Saturdays.
