# Know Your CLIP Principals

## Dr. Jenn Lashier

- I was born and raised in Canada and therefore am a super fan of all Canadian teams (Blue Jays, Raptors, Canadiens etc).
- I love to travel and have missed it terribly. I not only travelled with my family, but also facilitated global travelling experiences for my students.
- I enjoy experiencing the local foods of the places I am visiting. An important part of that is the snack foods, especially potato chips!
- During the pandemic, my children and I started watching Korean dramas and learned to crochet.

## Ms. Amy Steele

- I am very proud to be the Miller Principal, but my favorite title is Mom.
- My family is trying to visit all the US National Parks.
- I love sports. I cheer for the Warriors, SF Giants, and the Philadelphia Eagles.

# CLIPCO March 2022 Survey Results

Thank you everyone who participated in the survey. We received **131 responses** from approximately 630 CLIP families across Miller and Meyerholz.

The current responses have been very helpful, and we hope even more families will participate in the future.

Suggestions for the CLIPCO budget spending were taken in account for the recently approved 2022 - 2023 CLIP Budget. For example: **giving more budget to CLIP IAs, keeping PTA events and programs, and removal of T-shirts.**

Survey respondents would like **more communication about the transition to Muir.** To help clarify some details, we published some dates and pictures (Page 7 & 8 of May CLIPPER), and we will also publish an FAQ.

More detailed survey results will be sent separately in the next few weeks.
