## **Meet the Kindergarten Teachers**

#### Ms. Sharon Shen 沈老師 Room 1

#### What's the best thing about your job?

The best thing about my job is the opportunity to shape young minds, instilling a love for learning and helping the students develop essential skills, socially and emotionally, and gain confidence in themselves.

#### What's a special memory you have of the kids?

A delightful surprise occurred on my birthday last Friday morning. When I opened the door, all the students and families gathered around, their faces beaming with excitement. Little did I know, they had been planning a surprise for me! They presented me with handmade cards, colorful drawings, beautiful flowers, and thoughtful gifts. They sang a cheerful "Happy Birthday" song with enthusiasm that brought me to tears of joy. It was a beautiful and special memory that will stay with me forever.

#### Ms. Li-Chin Chiang 江老師 Room 2

#### What's the best thing about your job?

Watching students' eyes light up when they learn something new or discover something exciting is truly priceless.

#### What's a special memory you have of the kids?

One special memory I have with the kids is from when we took a field trip to Spina Farm. It was a beautiful Fall day, and the excitement among the students was palpable. Seeing the children thrilled as they went on different rides, explored the maze, and played with their friends was truly memorable.

### Anything else you'd like to share with the CLIP community?

To the CLIP community, I would like to emphasize how important it is for parents and teachers to work together to support the growth and development of our young learners.

### **Meet the Kindergarten Teachers**

#### Ms. Fei Deng 鄧老師 Room 5

#### What's the best thing about your job?

Every day is different. Every kid is different. You will find happiness or surprise every day.

#### What's a special memory you have of the kids?

A few kinder students call me "mom." When they miss their moms, I pretend to be an 8-hour at school mom.

### Anything else you'd like to share with the CLIP community?

CLIP parents are the best parents. They support students' learning and growth. Thanks Parents!

#### Mrs. Connie Chan 陳老師 Room 6

#### What's the best thing about your job?

Top 3–Getting unlimited supplies of hugs from the kiddos, feeling like a celebrity when my former students see me, pampering by parents with boba and treats

#### What's a special memory you have of the kids?

Teacher Appreciation Day of 2020...it's the year when COVID robbed the last three months of our school year. The parents from my class organized a car parade driving through my neighborhood and my students held up signs from the cars to show their appreciation for me

### Anything else you'd like to share with the CLIP community?

I have a confession to make...I have a "brown" thumb. Please stop giving me plants as presents because none of them survive. Sobbing...

## Meet the Kindergarten IAs

Sponsored by CLIPCO

#### Ms. Wen-Chin Lin 林老師 IA in Room 1 & 2

#### What's the best thing about your job?

Being able to see the smiles of my students every day is my best thing about my job. This joyful experience brightens up my life.

#### What's a special memory you have of the kids?

While the students were having lunch, I tried to shoo away the buzzing bees. I helped cover the student's lunch box, only to realize I had accidentally trapped a bee inside. So sad. **Anything else you'd like to share with the CLIP community?** 

I'm delighted to be here as an Instructional Assistant. I will give my utmost to excel in this role.

#### Ms. Deborah Lin 林老師 IA in Room 5 & 6

#### What's the best thing about your job?

The best thing about working with kinder students is watching them learn, grow and blossom throughout the year. They are so adorable and giggle easily at every funny move you make. They might be a little bit mischievous, but are also willing to follow teachers' instructions. They always reciprocate the positive energy we show them. It's a wonderful experience to work with them.

#### What's a special memory you have of the kids?

I enjoy bringing students to the lunch table where we always have a great chat and laugh. There is a little girl who always walks me to Kinder's gate and says goodbye to me every day. There is special bond between me and the kids that's rooted in trust and affection.

### Anything else you'd like to share with the CLIP community?

I want the kinder parents know, as an educator, I treasure and value your precious one just like you do. We appreciate your trust and volunteering at school. Let's continue to work together to help your children transition to elementary school smoothly and successfully, thus building a strong foundation for their future.

## **Meet the Kindergarten Grade Reps**

#### Lisa Sung

My husband and I are Canadian and originally from Edmonton, Alberta, Canada. Fun fact about me: I learned Mandarin from a bilingual Chinese program in Edmonton from K-12.

I graduated from the University of Alberta with a Bachelor of Education (major in Elementary Ed and minor in music and Chinese).

I am so happy to be part of the CLIP program this year. My youngest child, Victoria, is in Ms. Shen's Kindergarten class. I also have two teen girls: Juliet (age 15) and Rebekah (age 13).

I love music and I currently teach piano part time. I also enjoy working out, reading, making cards and using my Cricut machine to create art.

I look forward to being part of this CLIP community at Muir. I am so thankful to be here and I hope to connect families together (specifically kinder families).

#### Fori Wang 王玥

Mother of Elaine (5, in Ms. Deng's kinder class) and Edward (3, in Cuperdoodle).

Grew up in China and moved to Arizona to pursue my master degree (go Sun Devils!).

Now working as a corporate accountant at Google. I'm grateful for the flexibility that allowed me to volunteer at CLIP and witness our kids' rapid growth and our amazing teachers in action.

I enjoy traveling, working out / dancing, boba tea, hot pot, and decluttering.

I would love to set up kids-only play dates so that parents can go out on a date or get some much needed me-time :)

#### Artwork by Jingye Saoirse Li - 李璟烨, 6th grade

Tonight I went to the Mid-Autumn Moon Festival. It was my first time there, and it was really fun! I went there to volunteer, but I ended up staying and enjoying myself. The milk tea there was excellent and I really enjoyed all the games and activities CLIPCO offered. When I got home, I decided to draw something digitally about the festival and about the Mid-Autumn Moon Festival in general, with a large and full moon to make up for the cloudy sky tonight!

Last May, the CLIPCO board approved funding for the purchase of the voice lift system. Each of the Muir classrooms have one. Teachers wear a microphone around their necks and no longer strain their voice after a long day of instruction. In addition, a microphone can be passed around to students when they are talking so that even the quietest students can be heard now. Thanks CLIPCO!

### Dismissal is at 1:10 during Parent/Teacher Conference week.

Parent/Teacher conferences will be October 5 through 13. Students will be dismissed at 1:10 during that time. They will eat lunch at school before dismissal.

# "Mulan"木蘭從軍

This is an original Chinese musical theater script written by the Music/Vocal Teacher incorporating traditional Chinese songs, scenery, martial arts, and costumes to retell the story of Hua Mulan. This musical theater experience is designed to merge the traditional "American" elementary school junior musical experience with the cross cultural advantages of the CLIP program. Bilingual Mandarin/English speaking, professionally trained music, drama, and martial arts teachers will coach students and expose participants to traditional Chinese heritage and culture through musical theater.
