CUSD Clipco

Calendar events and times subject to change.
"Hi everyone! It’s your friendly, neighborhood DGC chair, Jim, and don’t worry, I’m not asking for money this time :) One of the most common questions I’ve received is ‘why does CLIPCO raise money when we have so much in the bank?’ I’ve put this article together to raise awareness of our financial reserve, how it’s used, and why it’s so vital to the future of CLIP. Please enjoy!"

CLIPCO Financial Reserve

What is it?
The reserve is a set amount of funds put aside each year to take care of future obligations and unexpected costs.

Why is it important?
CLIPCO spends ~80% early in the school year, before DGC and corporate match donations are fully realized. Our reserve also helps CLIP accommodate fluctuations in expenses throughout the year until next year’s DGC.

How much $ do we need in reserve?
Our treasurers and investment committee have analyzed the budget - we recommend a MINIMUM reserve of:

$711,000

How much is too much?
The general rule-of-thumb for non-profit organizations is to maintain 1-2x operating budget in reserve, but many local PTOs hold more (based on public data):

Where are we today?
Our FY24 reserve projection is

$729,500 (1.03x budget)

Meet the Principals

Dr. Jenn Lashier 許校長
John Muir Principal

- I am so happy to be continuing the path of global exploration with my family. We are looking forward to trying the various convenience store eats during our upcoming trip to Tokyo.
- We are already spinning the globe to find our next adventure....I welcome suggestions.
- As a parent of 2 High School students, we are cherishing the opportunities to travel as a family as they will be wanting to travel without their parents all too soon.

Ms. Anu Iyer
Miller Principal

What’s the best thing about your job?
Going into classrooms and supporting teachers and students. Hearing all the things students are learning and seeing their excitement in the process.

What's a special memory you have of the kids?
So many - the CLIP lunar new year gala talent show and activities showcasing the creativity of our students, my first LNY parade seeing the students persevere through 2 hours of walking the streets of SF, 8th grade promotion ceremony where students performed live music in front of families. CLIP is an extended family for our students and appreciate the community CLIP has built for our students over the years.
A few lucky kids won “Lunch with the Principal” at the Lunar New Year Gala Silent Auction and got to invite some friends to eat lunch with Dr. Lashier at Muir and Ms. Iyer at Miller.
Meet the Muir Office Staff

Diane Kaufman

- I started working at Meyerholz when my son was in kindergarten and my daughter was in 2nd grade. Worked for CUSD for 46 years. 44 years at Meyerholz and 2 years at Muir. I worked with 13 different principals over the years.
- Love working in the office. Everyday is a new adventure! Also enjoy learning new technology as it evolves.
- My favorite pastime is hanging with my 2 dogs, Roxy and Chloe. Chloe was Meyerholz mascot for many years.
- I love watching sports especially baseball, football and tennis. I played softball and tennis back in the day!
- Met so many wonderful people and made lifelong friendships working for CUSD over the years!

Lynn Plecque

- Proud mom and new grandmother
- Attended CUSD schools Kinder - 8th grade
- Celebrating 40 years married this year
- Love sports-mainly SF Giants, professional and college football
- SF Giants season ticket holders for 24 years
- This is my 22nd year working at Meyerholz/John Muir
Meet the Muir Office Staff

Ann Nagamatsu

What’s the best thing about your job? The best thing about my job is that I get to work with every third grade student at Muir!

What’s a special memory you have of the kids? Something that touches my heart - when students, especially the ones I recently met, go out of their way to greet me in the hallways and playground.

Anything else you'd like to share with the CLIP community? I feel extremely grateful and lucky to be working with so many aspects of our school. I have the opportunity to work with our teachers and IAs, our parent volunteers, and so many of our students.

Cindy Wen

I’ve been working at Meyerholz/Muir now for over 20 years. All three of my adult children went to Meyerholz which is where I got my start back into the “work world” starting as a volunteer/IA/Tech Instructional Specialist (SSITS).

I have always enjoyed artwork/projects that challenge me to create and paint most of my life. This is what helped me most when I did volunteer work for my elementary-aged children while providing set designs and props for our musicals for over ten years. I have since tried to document as many of my art projects. My husband Paul and I are very compatible as we thrive on home repair/improvement projects that allow us to spend time together being productive as it is very rewarding to see the efforts put in.

I feel incredibly blessed to have an amazing husband of 39 years, a parent to three wonderful married children and a grandmother to three adorable grandchildren. Life is to be cherished and celebrated always.
Hi CLIP community!

I’m Darleen, or as the world of Muir knows me, Coach Darleen. When not working, you can find my dog Roxy and I on a hike, or I’ll be over at SJSU, slowly yet steadily garnering my English degree. Before Recess 101, I’ve been a swim instructor, an after school program director, a daycare teacher, and had a brief stint teaching art. I spend my summers in Pennsylvania where I work at a summer camp with high school aged students. This will be my sixth summer there!

Everyday I am grateful to be in this position and make connections with our Muir students & the all adults who support their success.

Miller News

Miller is a Distinguished School

On February 29, 2024, State Superintendent of Public Instruction Tony Thurmond announced that Miller Middle school was selected for the 2024 California Distinguished Schools Program. Two other middle schools in the Cupertino Union School District were selected for this prestigious honor.

To select California Distinguished Schools, the California Department of Education (CDE) uses multiple measures to identify eligible schools based on their performance on the state indicators specified in the California School Dashboard (Dashboard).

The California Distinguished Schools is an annual school recognition program of the California Department of Education. Elementary schools and middle and high schools are recognized in alternate years; therefore, awardees hold the title for two years. In 2023, fifteen elementary schools in the Cupertino Union School District were selected for this prestigious honor.

Math Placement

Students and their families will find out about math class placement for next year some time in April or May. For more information about the general K-8 math curriculum or middle school math placement, check out the CUSD math webpage.
Congratulations to Room 17, CLIP DGC Husky winners!

Room 17 was the first class to reach 100% in donations.

GOLDEN EAGLE
SUMMER SPORTS CAMP

Get $20 off Golden Eagle Summer Sports Camp with $20 matching for CLIPCO!

Promo code: clipco24

Golden Eagle Summer Sports Camp is a family run all-sports day camp for children K-8th grade. With a wide variety of sports and activities to choose from, including, basketball, field hockey, tennis, soccer, dance and more, it's one of the most loved camps in the Los Altos, Mountain View, and Cupertino communities. Camps this summer are running at both Homestead High School in Cupertino and Los Altos High School in Los Altos. Each time the CLIPCO promo code is used the school receives a matching donation of $20. Visit their website www.goldeneaglecamp.org for more information.

Golden Eagle also has a number of scholarships available for families who need additional financial support. Scholarship applications are available here or by reaching out to carly@goldeneaglecamp.org

Note: CLIPCO does not sponsor or endorse any summer camps.

April Lunch Menus for Muir and Miller.
Kindergarten Wing to be Turned into Giant Aquarium

During the last CLIPCO board meeting, it was decided that the kindergarten classrooms would be converted into a giant aquarium. Work will begin during this summer, with plans to fill the 1000 gallon tank with water by next January. There are plans to put clownfish, starfish and even a few sting rays in the aquarium. Students will be responsible for cleaning it every month.

When asked about it, an unnamed teacher said, “Well, all of my students would have to learn to swim, but now we can also have a lesson on the life cycle of sea plants”. An unnamed kindergarten child said, “This is so awesome! I wish I could do kindergarten all over again when the aquarium is built”. Another unnamed teacher said, “I can’t wait to bring all of my snorkeling gear to school.”

Note: This is an April Fool’s joke. Muir is keeping the kindergarten classrooms as-is.

Casting Call for Mascots

If you have a pet husky, mustang or panda, we are looking for you! Join our open casting call looking for our new mascots. Don’t have one but you have a pet cat, donkey or polar bear? Dress up your cat as a husky, your donkey as a mustang, and dye some of the polar bear’s fur black (or is it already black?). Does your pet have what it takes? We are looking forward to meeting them soon!

Note: This is an April Fool’s joke. We do not allow animals on campus with the exception of middle school students.
